There are a few different methods for farming gold in Diablo 3. The best method for you will depend on your gear, skills, and playstyle.

Bounties

Bounties are a great way to farm gold, especially if you are new to the game or don't have a lot of gear. Bounties are short, repeatable quests that can be completed in any order. Each bounty rewards you with gold, experience, and crafting materials.

To start a bounty, talk to the Bounty Master in any town. You can choose from a variety of bounties, each with its own set of objectives. Once you have completed a bounty, you can turn it in to the Bounty Master for your reward.

Rifts

Rifts can be opened by using a Rift Key. Rift Keys can be found by defeating Rift Guardians or by completing Bounties.

The amount of gold you earn from a rift depends on the difficulty of the rift and the number of monsters you kill. The higher the difficulty, the more gold you will earn.

Greater Rifts

Greater Rifts are a more challenging version of Rifts. Greater Rifts are only available to players who have reached level 70.

Greater Rifts are opened by using a Greater Rift Key. Greater Rift Keys can be found by defeating Greater Rift Guardians or by completing Bounties.
