## Prologue

The rain was coming down in sheets, the wind howling like a banshee. Anya huddled under a tree, her body shaking from both the cold and the fear that gnawed at her heart. She had been running for days, ever since she had discovered the truth about her past. The truth that she was the last of a powerful magical lineage, and that she was being hunted by those who wanted to use her power for their own evil purposes.

As she sat there, Anya felt a sudden warmth behind her. She turned and saw a man standing there, his dark eyes glowing in the dim light. He was tall and handsome, with a dangerous aura about him. Anya knew instantly that he was a vampire, and that he was not to be trusted.

"What do you want?" she asked, her voice trembling.

"I want to help you," the vampire said. "I know who you are, and I know what you're running from. I can protect you."

Anya hesitated for a moment. She wanted to believe him, but she knew that vampires were not to be trusted. But she also knew that she had no other choice. She was alone and scared, and she needed someone to help her.

"Alright," she said. "I'll come with you."

And so, Anya and the vampire set off into the night, heading towards an unknown destination. Anya didn't know where they were going, or what the future held for her. But she knew that she had no other choice but to trust the vampire, and hope that he would keep his promise to protect her.

## **Chapter 1: The Awakening**

Anya awoke to the sound of birds singing. She opened her eyes and saw that she was in a small, cozy room. The sun was shining through the window, and the air was filled with the scent of fresh flowers.

Anya sat up and looked around. She had never seen a room like this before. It was decorated in a simple but elegant style, with dark wood furniture and rich fabrics. Anya wondered where she was, and how she had gotten there.

As she was looking around, the door to the room opened and a man entered. He was the same man that Anya had met in the forest, the vampire.

"Good morning," he said. "I see you're finally awake."

"Where am I?" Anya asked.

"You're safe now," the vampire said. "You're at my home."

"Your home?" Anya asked.

"Yes," the vampire said. "My name is Ethan. And you are Anya, the last of the Neltharion lineage."

Anya stared at Ethan in shock. She couldn't believe that he knew who she was.
